

## 2025 MIPS Data Validation – Improvement Activities Performance Category Changes<sup>1</sup>

| ID       | Activity Name                                                                                                 | V1_2025 (12/18/2024)     |
|----------|---------------------------------------------------------------------------------------------------------------|--------------------------|
| IA_PM_24 | Implementation of Protocols and Provision of Resources to Increase Lung Cancer Screening Uptake               | New improvement activity |
| IA_PM_25 | Save a Million Hearts: Standardization of Approach to Screening and Treatment for Cardiovascular Disease Risk | New improvement activity |

### Version History

| Date       | Change Description                                                                             |
|------------|------------------------------------------------------------------------------------------------|
| 04/08/2025 | Added footnote on listing activities that have been suspended for the 2025 performance period. |
| 12/23/2024 | Original version.                                                                              |

<sup>1</sup> The following activities have been suspended for the 2025 performance period: IA\_AHE\_5, IA\_AHE\_8, IA\_AHE\_9, IA\_AHE\_11, IA\_AHE\_12, IA\_PM\_6, IA\_ERP\_3, and IA\_PM\_26. However, if any of the suspended improvement activities have already been completed or were in the process of being completed, clinicians will still be able to attest to completing them and receive credit. Please review the [2025 Improvement Activities Inventory](#) for available activities.
