

2018 MIPS Data Validation - Year 2 Promoting Interoperability Performance Category Transition Changes

2018 Promoting Interoperability (PI) Transition Measure ID	2018 PI Transition Measure	V2_08092018 Changes
General	N/A	1) Changed Advancing Care Information (ACI) to Promoting Interoperability (PI); 2) Changed measure IDs from ACI to PI; 3) Changed column header to "2018 PI Transition Measure"; 4) Changed column header to "2018 PI Reporting Requirement (Yes/No Statement or Numerator/Denominator)"; 5) Updated column header for 2018 PI Suggested Documentation
PI_TRANS_PPHI_1	Security Risk Analysis	Clarified Measure Description; Clarified Validation; Clarified Suggested Documentation
PI_TRANS_EP_1	E-Prescribing	Clarified Measure Description; Clarified Suggested Documentation

2018 Promoting Interoperability (PI) Transition Measure ID	2018 PI Transition Measure	V2_08092018 Changes
PI_TRANS_LVPP_1	E-prescribing Exclusion	Revised Measure Description to indicate an exclusion; Revised Required/Not Required for Base Score to indicate that it is only applicable to exclusions; Revised Reporting Requirement to indicate "Yes"; Clarified Validation; Clarified that CEHRT report must show the number of all prescriptions written for Suggested Documentation
PI_TRANS_PEA_1	Provide Patient Access	Clarified Measure Description; Clarified Validation
PI_TRANS_HIE_1	Health Information Exchange	Clarified Measure Description
PI_TRANS_LVTOC_1	Health Information Exchange Exclusion	Removed "Proposed" from Measure; Revised Measure Description to indicate an exclusion; Clarified Validation
PI_TRANS_PSE_1	Patient-Specific Education	Corrected Measure ID; Clarified Measure Description; Clarified "at least one unique patient" under Validation; Revised Suggested Documentation to indicate quantity and time period
PI_TRANS_PEA_2	View, Download, or Transmit (VDT)	Corrected Measure ID; Added "or" to Measure; Revised Measure Description; Revised Suggested Documentation to indicate quantity and time period

2018 Promoting Interoperability (PI) Transition Measure ID	2018 PI Transition Measure	V2_08092018 Changes
PI_TRANS_SM_1	Secure Electronic Messaging	Corrected Measure ID; Clarified Measure Description; Clarified "at least one unique patient" under Validation; Revised Suggested Documentation to indicate time period
PI_TRANS_MR_1	Medication Reconciliation	Revised Measure Description; Clarified Validation; Revised Suggested Documentation to indicate time period
PI_TRANS_PHCDRR_1	Immunization Registry Reporting	Revised Measure Description to simplify; Revised Validation to include "or clinical data registry"; Clarified Suggested Documentation
PI_TRANS_PHCDRR_2	Syndromic Surveillance Reporting	Revised Measure Description to simplify; Revised Suggested Documentation to include documentation of successful registration or submission to the registry or public health agency
PI_TRANS_PHCDRR_3	Specialized Registry Reporting	Revised Suggested Documentation to include documentation of successful registration or submission to the registry or public health agency
